

Crane Barge 1 (99'L x 88'W x 10'H) Draft = 3'

Description

The Crane Barge 1 is a pontoon-type barge made up of twenty-four separate pontoons, measuring 33' long by 11' wide by 10' deep. There are three rows of eight pontoons, with a total barge dimension 88' wide by 99' long by 10' deep. The forward pontoons have raked ends on the bow. All of the other pontoons are rectangular in shape. The pontoons are bolted together with 8 bolts on the bottom and 4 bolts on the top. Each pontoon has six 8-bolt sets per side, six 4-bolt sets per side and two 8-bolt sets and two 4-bolt sets on each end. The bolts are 1" and extend either into the adjacent barge or through the side, either to fill an empty slot or to secure a tire pad eye.
